

COMMITMENT FORM

I, _____ commit to the obligations and responsibilities of an adviser/coach of my students to the CAL Battle of the ICT Wizards 2010: *Green IT! Technology for an Eco-Friendly Society*.

- I vouch that all participants under my counsel are bonafide and qualified students of the school we are representing.
- I will ensure that my students will comply to the contest mechanics with complete honesty.
- I will ensure that the work of my students are original and amateur, not violating any intellectual property right as provided in RA no.8293 of our constitution.
- I will willingly accompany and support my students to the regional competition up to the national finals, should they qualify.
- I, together with my whole team, will treat victory and defeat with grace, discipline and sportsmanship.

Most importantly, as coach/adviser of the team, I recognize that my conduct throughout the duration of this contest is vital in the growth and development of my students as future IT practitioners.
